

## 2017 ROCKET AND SPACE EXHIBIT AND SYMPOSIUM

- Event to emphasize the importance of STEAM education
- *Professional and amateur rocketry*
- *Representatives of industry, universities and private organizations will be in attendance*

The RRS is the oldest amateur rocketry group in the USA

Since 1943, we have built on the passion people have for rocketry as an educational hobby

- Open to Public
- Free Admission
- Exhibits
- Presentations
