1943  2026

2026 RRS ROCKET & SPACE SYMPOSIUM

Engage Explore Discover

- Join us for a full day celebrating rocketry, space and STEAM education
- Hosted by Reaction Research Society (RRS) – the oldest amateur rocketry organization in the US (83 years)
- Founded in 1943, the RRS has built on the passion for rocketry as an educational and scientific pursuit
- Meet representatives from universities, industry and private organizations

➤ Open to the Public
➤ Free Admission
➤ Exhibits
➤ Engaging presentations
➤ All ages welcome
